**Mystery Card:** If first ticket holder is present they will draw a Mystery Card Ticket and the Mystery Card for the night will be shown. If the first ticket holder is not present second ticket holder will draw a Mystery Card ticket. If neither first nor second ticket holder picked is present no Mystery Card will be drawn that week. If Mystery Card has already been revealed there will be no Mystery Card that week and that Mystery Card Ticket is removed from the game. Mystery Card Tickets are placed back in the drawing unless they are revealed, in which case they are removed from the game

**The numbered card chosen on the first drawn ticket will be cut down from the board and revealed.**

- 1) If the Hidden Champion is revealed the ticket holder will win 80% of the Jackpot if they are present and the additional 20% will roll over into the next board. If that person is not present, they will win 60% of the Jackpot and the additional 40% will roll over into the next board. If the Hidden Champion is revealed no additional prizes will be awarded.

The total prize pool will continue to accumulate. The prize pool amount is based on ticket sales and will be updated and prominently displayed.

Once a card is revealed, it will be removed from play and shown face up on the board. Each week after the drawing, all tickets for that week's drawing will be destroyed. Tickets purchased for that week, will only be valid for that week's drawing.

The Hidden Champion game board will be locked at all times except for the drawing.

All winners are responsible for any and all taxes.

Each prize board consists of 54 unique cards. Cards are shuffled and then laid face down on board, taped down and sequentially numbered, left to right and top to bottom. Gamer's Lair ownership is unaware of placement of any cards.

Gamer's Lair owners will address any and all discrepancies with final say. Ownership reserves the right to change or alter the rules of the game after any drawing and before sales for next drawing if they deem appropriate. Any changes will be announced and displayed where tickets are sold. Ownership will provide the initial starting Jackpot at \$250 and will augment all following Jackpots to \$250 if necessary. All card winners other than the Hidden Champion will be paid out before store closing that night; Jackpot winners will be paid out within 1 week following the drawing. Gamer's Lair does not take any proceeds from the game. It is 100% payout or rollover to the next board. If at any time the Jackpot falls below \$150 the raffle can be cancelled at the discretion of the owners and the Jackpot will be donated to a local charity to be determined at that time.
